

The **Italia** *Collection*

Inspired by Italy. Made in Britain

 **Katell**

Part of the **Charlton & Jenrick**^{LTD} Group

Best of British fires, fireplaces & stoves

The Italia Collection from Katell is an exciting range of electric suites featuring a stunning range of electric fires and fuel beds including the Optimyst flame effect. This collection really has to be seen to appreciate how realistic, atmospheric & stunning the flame effects are. Whether you are changing an existing fireplace or installing a new one, the Italia Collection, a stunning addition to Katell's best-selling Electric Suite range.

Choose from a beautiful Stone effect, a Natural Oak wood finish or a subtle Sandstone design to complement your existing room decor, or take the opportunity to try something different with our brand new finish - the contemporary Terrano Grey with its subtle hues.

There is a fireplace in this range to suit every property type and every room setting to create a welcoming, focal point with great visual impact. Designed and manufactured in the UK to the highest quality you would expect from one of the UK's leading fireplace manufacturers, you won't be disappointed with an electric suite from the Italia Collection.
